

# YOU CHANGED MY LIFE

## MEET TYLAN

Tylan is a freshman at Bethune Cookman College, majoring in Computer Science and has been a part of Club Esteem since he was in 4th grade. Club Esteem, a United Way partner agency inspires youth to achieve excellence. The program not only helped Tylan grow emotionally, it helped him academically and without Club Esteem he would most likely not be in college today.

United Way of Brevard

Your donations really do change lives and strengthen our community! [uwbrevard.org](http://uwbrevard.org)
