LEADERS *in Giving*

UNITED
We Win

United we stand up for children, seniors, veterans, people with disabilities and all those who need a voice. Your contribution enabled us to raise more than \$6 million to change lives and strengthen communities here in Brevard throughout the coming year. Thanks to you, thousands of our friends and neighbors will find the help they need through over 60 United Way funded programs. We are honored that you have chosen our United Way to help you make a difference and we appreciate your willingness to give at a Leadership level, setting the example for others.

We're pleased to recognize you as one of our *2018 Leaders in Giving*.

In the pages that follow, we honor those committed to making a difference and help us change lives in the coming year. We gratefully acknowledge every leader in this book and every single donor who gave to our 2018 Campaign.

LEGACY SOCIETY

Those who are a member of the Legacy Society, who have made a gift to the Endowment fund, have an *L* listed after his or her name.

DIAMOND DONORS

A *◊* indicates those who have been giving for 25 or more years to the United Way network.

WOMEN UNITED

A *W* signifies women, giving individually or with their spouse at the leadership level who are members of Women UNITED. Women UNITED mobilizes United Way of Brevard's women donors to become powerful philanthropists for our community. Over the past year, Women UNITED has assembled food packs for children, been inspired by female leaders, heard about financial stability and participated in an Advocacy 101 workshop!

EMERGING LEADERS

An *E* represents members of Emerging Leaders. Emerging Leaders is a leadership giving, volunteer and advocacy movement for early to mid-career professionals who want to make a difference in Brevard. In 2018 Emerging Leaders collectively volunteered more than 100 hours and contributed over \$100,000 to the community.

Legacy Society

Members of the Legacy Society make a powerful statement about their commitment toward a better, safer, and healthier future for our families in Brevard. The Legacy Society honors this group of generous friends who make a gift of any kind to the United Way of Brevard Endowment today or have notified us that they have included a gift to United Way in their estate plan.

TOCQUEVILLE

Society

The Tocqueville Society® is designed to involve and deepen the understanding, commitment, and support of United Way's most generous and community-minded investors.

Only 26 years old when he came to America in 1831, Alexis Charles-Henri Clerel de Tocqueville traveled all over the young nation. Though he only spent nine months in the United States, he gleaned an insightful view of American Society.

Perhaps his most important observation was that Americans helped each other in times of need. He recognized, applauded and immortalized the voluntary spirit that lives in America's heart.

2014-2018 TOCQUEVILLE SOCIETY CO-CHAIRS

As co-chairs, Tony and Sara Catanese have set the strategic direction for our Tocqueville Society and strengthened the personal network of relationships among our Tocqueville members during their term. Both are especially passionate about our early grade reading strategic initiative.

PAST CHAIRS

1995-1999 Dr. Roxanne Johnson-Giebink

2000-2004 Jonnie Swann

2004-2006 Wendy Brandon

2006-2008 Bob and Cindy Michaud ^L

2008-2010 George and Liz Mikitarian

2010-2012 Dwayne and Mary Helen McCay

2012-2014 Chas and Vonnie Hoyman [◊]

Three elements of democracy which Tocqueville so admired in American society were liberty, equality, and the spirit of neighbor helping neighbor.

These same elements are embraced in the French phrase: “Liberté, Egalité, Fraternité.” To distinguish Tocqueville members, individuals, and family foundations who achieve higher levels of giving, special orders of recognition have been created:

ORDRE DE FRATERNITÉ

\$75,000-\$99,999

ORDRE D'EGALITÉ

\$50,000-\$74,999

ORDRE DE LIBERTÉ

STEPHANIE'S STORY

Growing up without a mother who could take care of her, Stephanie had a profound need to do better for her own children. It influenced her to enroll in the Healthy Families program. She knew it would give her the tools to be a great mom, but she didn't expect how profoundly her Family Support Worker (FSW) would help to transform her life.

Stephanie worked for low wages and no benefits, struggling to pay the bills and in fear for the safety of her two kids living in a neighborhood plagued by crime and frequent shootings. Motivated by her FSW, she applied for and received a better job, better pay with full benefits and is now a proud homeowner. Stephanie is motivated to live her best life and is confident she can do better for her family. She says, "It's important to believe in yourself and Healthy Families helps you believe in yourself."

Thanks to you, Stephanie's story is one of many that illustrate the impact of United Way funded programs in Brevard.
