United Way of Brevard

The background of the entire image is composed of several sets of concentric circles in a light blue color, creating a ripple effect across the white background.

THANK
You

YOUR GIFT MADE AN IMPACT

Everyone Deserves a Chance for a Change. That's why our work focuses on equity, addressing educational gaps and increasing care for our veterans. We'll also continue to provide relief to the nearly 90,000 households in our community struggling to make ends meet by funding our network of 43 partner agencies. 2020 challenged us and 2021 wasn't any easier. But each new challenge has taught us a powerful lesson of where we need to shift our attention to ensure we are changing lives and strengthening our community.

Thank you for your steadfast commitment to our community. We are grateful for your support and are pleased to recognize you as one of our **2021 Leaders in Giving.**

Leadership Giving Societies

Leadership Givers have a deep commitment to helping people. More than 1,900 local people make an annual investment of \$500 or more into our community through United Way. The energy, excitement and enthusiasm of these generous individuals inspires others and infuses hope into those who need it most.

TOCQUEVILLE

Society

The Tocqueville Society® is designed to involve and deepen the understanding, commitment, and support of United Way's most generous and community-minded investors.

Alexis de Tocqueville admired three elements in North American society: liberty, equality and the spirit of neighbor helping neighbor. These same elements are embraced in the French national motto: "Liberté, Égalité, Fraternité." Tocqueville believed that by achieving these elements of democracy, all people would choose to pursue freedom, knowledge and prosperity, or indépendance, connaissance, and prospérité.

THOMAS BARTELL

This generous gift was first given during the turbulent year of 2020. It enabled United Way of Brevard to stay on the front lines of the needs in our community. We thank Mr. Bartell for including United Way in his 2021 philanthropic endeavors.

For every one dollar donated, United Way is able to bring into our community an average of three matching dollars by working with state, federal and corporate resources. This special understanding of Brevard creates a multiplier effect that helps support safety-net services through 43 partner agencies—letting United Way be one of the first to mobilize resources and support essential needs.

CORPORATE SUMMARY

The Company Listing to the left includes only those companies reporting ten or more leadership gifts.

Over **1,919** individuals are members of the Leadership Circle and collectively gave **\$3,071,035** to help people in need in our community.

YOU ARE THE DIFFERENCE WE SEE IN OUR COMMUNITY!

Many longtime Leadership Givers made additional gifts above their traditional donation. This helped combat the continued ripple effect of the pandemic that affected jobs, child care, food and living conditions. If you know additional individuals or companies that we can UNITE with to continue responding quickly to our community's needs please contact us at 321.631.2740.
